

MasterCard® SecureCode™ Terms of Service

Welcome and thank you for choosing to use the *SecureCode* service ("*SecureCode*") from Raritan Bay Federal Credit Union. Please read this Terms of Service Agreement carefully before using *SecureCode*. In this Agreement, "we," "us," or "our" refers Raritan Bay Federal Credit Union, and "you," "your," or "yours" refers to the user of *SecureCode*.

This Terms of Service Agreement supplements and is incorporated in our cardholder agreement(s) with you. In addition to this Terms of Service Agreement, *SecureCode* also is subject to the cardholder agreement governing the card transactions for which *SecureCode* is used.

1. ACCEPTANCE OF TERMS

- (a) *SecureCode* provides its service to you, subject to the following Terms of Service ("TOS") and our cardholder agreement with you governing the card transactions for which *SecureCode* is used. The TOS may be updated by us from time to time without notice to you. You can review the most current version of the TOS at any time at <http://www.raritanbayfcu.org>. In addition, when using *SecureCode*, you shall be subject to any posted guidelines or rules applicable to *SecureCode* that may be posted from time to time at the same web site.
- (b) You agree that creation of a *SecureCode* account password, and/or use of *SecureCode*, will represent your acceptance of this TOS and that continued use of *SecureCode* after you have been advised of revisions to this TOS shall constitute your agreement to such revised terms and any applicable posted guidelines or rules.
- (c) Unless explicitly stated otherwise, any new features that augment, enhance or otherwise change *SecureCode* shall be subject to this TOS.
- (d) Raritan Bay Federal Credit Union reserves the right at any time and from time to time to modify or discontinue, temporarily or permanently, *SecureCode* (or any part thereof) with or without notice.
- (e) Upon our request, you agree to sign a non-electronic version of this TOS.

2. DESCRIPTION OF SECURECODE

SecureCode provides you with a way of increasing security in online and other transactions for which *SecureCode* is used by reducing the chances of fraud for those transactions. Registering for *SecureCode* involves providing personal information to us, which is then used to confirm your identity in connection with future online transactions or other transactions for which *SecureCode* is used, as discussed in more detail in Section 5 below. *SecureCode* also may be used for record keeping and reporting purposes, as well as to help resolve any transaction disputes. Your Registration Data, as defined in Section 3(b), and other personal information is not shared with the merchant, as discussed in more detail in Section 6 below.

3. YOUR REGISTRATION OBLIGATIONS

- (a) By signing up for *SecureCode*, you authorize us to retain certain information about you, your credit cards and debit cards. You authorize us to obtain from certain third parties selected by us, including consumer credit bureaus and other consumer reporting agencies, information about you, your credit cards and debit cards, to use in connection with *SecureCode*. You authorize us to use and retain this information in accordance with our Privacy Policy (see Section 6 below). Your information will be associated with a unique identifier for you (your credit card or debit card number and your name).
- (b) You agree to (i) provide true, accurate, current and complete information about yourself as prompted by *SecureCode*'s registration form ("Registration Data"), and (ii) maintain and promptly update the Registration Data to keep it true, accurate, current and complete. If you provide any Registration Data that is untrue, inaccurate, not current or incomplete, or if we have reasonable grounds to suspect that your Registration Data is untrue, inaccurate, not current or incomplete, we have the right to suspend, terminate, or refuse your current or future use of *SecureCode*.

4. REGISTRATION

- (a) In order to use *SecureCode*, you must provide certain information to us that allows us to validate your identity and verify that you are the owner of or an authorized user of the specified credit card(s) or debit card(s). The information that you provide may be validated against information we already have on file that is associated with you, your credit card(s) or debit card(s), information we receive from one or more third parties, or information maintained by a third party.
- (b) If you are unable to provide adequate information for us to validate your identity, we have the right to not allow you to register for *SecureCode*. You warrant that the information is correct and that you have the legal right to use all of the credit cards and debit cards that you register for *SecureCode*.
- (c) If you do not successfully register for *SecureCode*, the merchant may not accept your MasterCard credit card or debit card in payment for an e-commerce or other transaction subject to *SecureCode*.
- (d) In order to use *SecureCode*, you must have the ability to access the World Wide Web and must pay any service fees associated with such access. In addition, you must have the equipment necessary to make such a connection to the World Wide Web, including a computer and modem or other access device.
- (e) In the event you have a question regarding the *SecureCode* registration process or a transaction using *SecureCode*, you should direct that question to our member service department at 732-727-3500 [in accordance with the instructions in our cardholder agreement with you].

5. AUTHENTICATION

- (a) During registration in *SecureCode*, you may be asked to select or may be provided a password and hint-and-response question and answer. When engaging in an online transaction or other transaction for which *SecureCode* is used, you may be asked for your *SecureCode* password or hint response before the merchant accepts your MasterCard card in payment for the transaction. If you are unable to provide your *SecureCode* password or hint response, or if the authentication through *SecureCode* otherwise fails, the merchant may not accept your MasterCard credit card or debit card in payment for that transaction.
- (b) By registering in *SecureCode*, you assent to the use of *SecureCode* to evidence your identity, including for purposes of authorization of transactions authorized in advance to recur at substantially regular intervals.

6. PRIVACY POLICY

- (a) *SecureCode* stores your Registration Data. Your Registration Data will not be shared with online retail merchants or merchants in other transactions for which *SecureCode* is used.
- (b) You acknowledge and agree that *SecureCode* may keep your Registration Data and also may disclose your Registration Data if required to do so by Applicable Law, as defined in Section 8(a)(ix), in the good faith belief that such preservation or disclosure is permitted by Applicable Law, or as reasonably necessary to (i) comply with legal process or (ii) enforce this TOS.
- (c) Registration Data and all personally identifying information about you is subject to our Privacy Policy. For more information, please see our full Privacy Policy at <http://www.raritanbayfcu.org>.

You agree to immediately notify us by contacting us as we require in our cardholder agreement with you for a lost or stolen card or any unauthorized use of your password or other verification information, or any other breach of security. You acknowledge and agree that, except as otherwise provided by Applicable Law or in our cardholder agreement with you, Raritan Bay Federal Credit Union shall not be liable for any loss or damage arising from your failure to comply with this TOS.

11. DEALINGS WITH MERCHANTS

Your correspondence or business dealings with, or participation in promotions of, online retail or other merchants on or through *SecureCode*, including payment and delivery of related goods or services, and any other terms, conditions, warranties or representations associated with such dealings, are solely between you and such merchant. You agree that, except as otherwise provided by Applicable Law or in our cardholder agreement with you, Raritan Bay Federal Credit Union shall not be responsible or liable for any loss or damage of any sort incurred as the result of any such dealings. You understand that use of *SecureCode* does not, in any way, indicate that we recommend or endorse any merchant, regardless of whether the merchant participates in *SecureCode*. For example, *SecureCode* does not verify the identity of the merchant or the quality of the merchant's goods or services.

12. DISCLAIMER OF WARRANTIES

- (a) You expressly understand and agree that any software obtained through the use of *SecureCode* is downloaded and used at your own discretion and risk and that except as otherwise provided in this TOS Agreement, you will be solely responsible for any damage to your computer system or loss of data that results from the download or use of any such software or other materials through *SecureCode*.
