

Children's Online Privacy Protection Notice

Information collected from children:

The information that Raritan Bay FCU requests from children participating in any of our Youth Account contests is name, age, phone #, e-mail address, and the answer to a trivia question. Information is collected directly from the child via a link to Raritan Bay's e-mail address. The information will be used to determine and notify contest winners, as well as for future marketing efforts of youth accounts to children who qualify. Information will not be disclosed to third parties. Raritan Bay FCU will not require that a child disclose more information than is reasonably necessary to participate in a youth account contest as a condition of participation. The parent can review the child's personal information, ask to have it deleted and refuse to allow any further collection or use of the child's information. Please contact the person set forth below for this option.

At any time, a parent may revoke his/her consent, refuse to allow Raritan Bay FCU to further use or collect their child's personal information, and direct Raritan Bay FCU to delete the information. In turn, Raritan Bay FCU may terminate any service provided to the child, but only if the information at issue is reasonably necessary for the child's participation in that activity. If other activities on the Web site do not require the child's email address, the Raritan Bay FCU will allow the child access to those activities.
