Visa Account Updater Opt-Out Form

Visa Account Updater (VAU) is an account updating service in which your Raritan Bay FCU Visa Debit/Credit Card is automatically enrolled. When your card expires, is lost or stolen and a new card is issued, the VAU service may update relevant card data (card numbers and expiration dates) to appropriate merchants who participate in VAU, in an effort to facilitate uninterrupted processing of your recurring payments. You may opt-out of the VAU service at any time.

I would like to opt out of the VISA Account Updater Services for my Raritan Bay FCU Debit/Credit Card, which will provide automatic updates to merchants who maintain card-on-file account information to process recurring customer payments, such as subscription or utility companies. I understand it will be my responsibility to notify merchants, who maintain card-on-file information to process recurring payments, with any updated information regarding my Raritan Bay FCU Debit/Credit Card.

By signing below, I acknowledge that I will be opted-out of VAU service.
