Raritan Bay Federal Credit Union Raises Money for National Cancer Prevention Awareness!

Sayreville, NJ – February 2017 Raritan Bay FCU was proud to announce that they raised \$75 during the month of February to benefit The American Institute for Cancer Research. Raritan Bay FCU raised funds through the sale of light purple bracelets and Raritan Bay FCU staff took advantage of a casual dress day for a donation.

Research has shown that more than half of all cancers diagnosed in the United States can be attributed to preventable causes – things like smoking, obesity, physical inactivity, and excessive exposure to the sun. By funding research, interpreting evidence, and educating the public about the results, AICR is helping Americans realize that it's never too early and never too late to make choices that protect against cancer.

Raritan Bay Federal Credit Union is a non-profit, community chartered financial institution that serves everyone who lives, works, worships, or attends school in Middlesex County. Raritan Bay Federal Credit Union was chartered in 1941, and is owned and operated by its members.
