Raritan Bay FCU Raises Over \$1,100 for Making Strides Against Breast Cancer Walk

Sayreville, NJ – October 27, 2013 Raritan Bay Federal Credit Union was proud to show our support and make a difference by walking as a team in the American Cancer Society Making Strides Against Breast Cancer Walk on Sunday, October 27, 2013 in Edison, New Jersey. Making Strides Against Breast Cancer is more than just the name of a walk; it describes the progress we are making in the fight against breast cancer. Nothing can describe the hope that is inspired by walking with others who share a passion for ending this disease. Because nearly everyone has been touched by breast cancer in some way, hope for a world without the disease starts with us. Hope starts with one walker and one dollar at a time. Hope starts with our team. And hope can start with you.

Raritan Bay FCU set a goal to raise \$1,000.00 for this special event. They not only reached their goal but exceeded it by raising over \$1,191.67 for this great cause.
